

**RESUME OF DONNA JAGT
FOR PRESIDENT OF
COW COUNTIES HOWDOWN ASSOCIATION**

February 2008

I began my square dance adventure in 1989 (19 years ago) with the Clover Leaf Squares and Paul Moore as the teacher. As soon as I graduated from square dancing class I started in a round dance class with Tom Denniston teaching at Norton Air Force Base. I never missed a chance to dance and soon was visiting the clubs in the CCHA area. When the Clover Leaf Squares joined with the Who Goofed Squares they chose my badge design for the badge of the new club with the name Sunkissed Squares.

I became a member of the Calico Quails when my son and his new bride finished class and joined the club. We then danced as a family with this club until my grand daughter was born. It wasn't long after joining the Calico Quails that I became President of this club with my son as Vice President.

I have attended six State Square Dance conventions and many Festivals throughout the state of California in the 19 years of my Square Dancing. I have also attended several Round Dance Conventions held in San Diego. I was in charge of setting up the CCHA Showcase of Ideas for the 2007 48th State Square Dance Convention and also the 2008 49th State Square Dance Convention.

I was asked to be the Social Chairman for CCHA in 2005 and served for one year and also helped in the Hospitality Room of the Fall Festival that year. In 2006 I was the Hospitality Chairperson for the Fall Festival and assisted in the organizing of the Fall Festival. I also served on the 2007 Fall Festival Committee at the Orange Show Fair Grounds. At the present time I am sharing the chairmanship of the 2008 33rd Fall Festival with Viggo Sorensen which will be held in the Community Center in Yucaipa.

In 2006 I was elected to the position of Vice President of the Cow Counties Hoedown Association. In February of 2006, with the help of Sandy and Ray Blakely, we hosted the hospitality room for the State Board at the Hilton Hotel in San Bernardino. As Vice President I enjoyed dancing with the different clubs and seeing that the CCHA Board was represented at the different club Anniversaries, Installations and other special occasions.

As your CCHA President this past year (2007-2008), working with Sandy Blakely, it has been a pleasure to see all the clubs in the Cow Counties Hoedown Association begin to work together for a better dancing community. Both Sandy and I would like to serve another year as your President and Vice President.

Respectfully submitted,
Donna Jagt
President, Cow Counties Hoedown Association
